WHAT are the CORE VALUES of Wired Student Ministries?

Core Value #1: We value a BIBLICAL FOUNDATION – The heart and soul of our ministry is rooted in the absolute Truth of God’s Word and is foundational to everything we do. We also recognize the five biblical purposes of the church (evangelism, worship, fellowship, discipleship, and ministry) and strive for a balanced implementation of those purposes.

Core Value #2: We value a RELATIONAL APPROACH – We value relationships at the core of our ministry – relationships with each other and our ultimate, life changing relationship with Jesus Christ.

Core Value #3: We value RELEVANT APPLICATIONS – We want to make sure that what we do “hits the mark” so that students can relate to the message we proclaim and apply it into their lives on a practical level. As a part of this, we value creativity, excellence, and innovation as vital elements in making relevant applications.

Core Value #4: We value a KINGDOM FOCUS – We recognize that we are a small part of the Universal Church and we want to fulfill the role that God wants us to play in His Kingdom. Therefore, we will seek to partner with like-minded churches to accomplish His plan and purposes for building His Kingdom next door, in our state, our nation, and the world.
